Confidential Report

Hybrid OSINT/Commercial Data

[REPORT TYPE : ULTIMATE PRE-JUDGMENT
REPORT]

Prepared for
SAMPLE REPORT

CASE

#2020-0000

This is a Hybrid report from Open Source Intelligence(OSINT) sources and database collected information.

INFORMATION COLLECTED FROM THE FOLLOWING SOURCES:

Media:, print newspapers, magazines, radio, and television from across and between countries.

Internet, online publications, blogs, discussion groups, citizen media (i.e. – cell phone videos, and user created content), YouTube, and other social media websites (i.e. – Facebook, Twitter, Instagram, etc.).

Public Government Data, public government reports, budgets, court filings, hearings, telephone directories, press conferences, websites, and speeches

Professional and Academic Publications, information acquired from journals, conferences, symposia, academic papers, dissertations, and theses.

Commercial Data, commercial imagery, financial and industrial assessments, and professional databases.

Grey literature, technical reports, preprints, patents, working papers, business documents, unpublished works, and newsletters..

Metadata, Data which is included in everything from photos, webpages, documents, and other files.

If you have questions about any aspects of this report, please contact our offices at (626)385-8662 or info@rushintel.com

Rush Intel Services may provide certain information that is and must be kept confidential. The **Client** shall limit disclosure of Confidential Information within its own organization to its directors, officers, partners, members, employees and/or independent contractors (collectively referred to as "affiliates") having a need to know. The **client** and affiliates will not disclose the confidential information obtained from the **Rush Intel Services** unless required to do so by law. Rush Intel Services reports data collected as accurately as possible. We are not responsible for errors in information reported by public records, financial institutions, court systems, law enforcement, or other institutions which improperly record information

ALERTS

We may assign alerts to your subject to warn of potential issues in litigation:

 Alert **5**

Alert Level 5

Target shows knowledge of evading service or detection. They may have implemented a misinformation campaign* or other means to deceive or hide from investigators.

 Alert **4**

Alert Level 4

Target may have a criminal history that represents a violent nature. Target may be reluctant to open door for service.

 Alert **3**

Alert Level 3

Target has prior civil judgments or criminal history. Target may have filed bankruptcy.

 Alert **2**

Alert Level 2

Target may have prior civil judgments, no criminal history (excluding traffic violations)

 Alert **1**

Alert Level 1

Target has no known history of Criminal charges or Civil judgments, target has not filed bankruptcy

- Misinformation campaign: A procedure where a subject will flood the known data collection points used by investigators with false information to throw others off the trail of locating them.
